THE 1974 WASHINGTONIA STAFF PROUDLY RECOGNIZES DR. ROBERT W. SLOAN

In the classroom... on the ice... around the campus, you have become a part of our lives - a good part that we will remember when other memories have faded. We, the WASHINGTONIA staff, would like to thank you for the time and effort you spend being more than an instructor. You are a friend as well.

Cost study proposes campus shutdown

By John S. Day
Of The NEWS Staff

AUGUSTA—The Maine Management and Cost Survey Commission, in a 228-page report aimed at reducing the cost of state government by $23.8 million a year, Wednesday recommended closing the University of Maine at Bangor and ending four-year degree programs at university campuses in Fort Kent, Presque Isle and Machias.

proposed reorganization of the
state's entire vocational education

Alumni, faculty, students and friends of the University of Maine at Machias have launched a letter writing campaign directed at Governor Kenneth Curtis who recently saw fit to postpone the beginning of construction of a new science building at the Machias campus.

UMM Gets Short End Of Governor's Shaft

"It would be most useful to the Washington County area to have one institution providing a broad range of educational opportunity including occupational training, adult education in both general and vocational subjects, college transfer courses, consultation in community and economic development, and stimulation in cultural activities." — Higher Education Planning Commission report, Nov. 11, 1969

MACHIAS — "We've been down this road before" was the terse comment of a Machias educator when the initial shock waves of the Maine Management and Cost Survey Commission's report reached the Washington County Shirtown last Wednesday.

"Reflective of the HEP (Higher Education Planning Commission) report of 1969" was the judgment of Lubec Rep. John Donaghy when he first read the so-called "Longley Report" and its

MACHIAS — Selectmen stood pat on their determination to give the voters an opportunity to decide whether to ask Superior Court to issue a Writ of Mandamus ordering Gov. Curtis to break his blockade of University of Maine Machias's construction of a science building here.

What course the selectmen will take after the UM trustees meet Wednesday morning at the UM Bangor campus, will depend on which way the trustees move on the proposed science building and other restrictions recommended in the cost study released to the public Sept. 12, according to town officials.

A special assistant to the governor told Town Manager Lincoln Stackpole Tuesday that Curtis had turned the UMM completely over to the

continuation of the 4 degree granting pro at UMM.

MACHIAS — As kthe University of Maine board of trustees meet on the UMO campus Wednesday at 9 a.m. to review the Maine Management and Cost Survey Commission's report, a delegation from Washington County will be in attendance.

If given opportunity to speak, the Sunrise County people are expected to strongly oppose the commission's recommendations for the U. M. Machias campus; and to urge keeping the UMM as a four-year degree granting college; and allowing the proposed $680,000 science building to be constructed.

About 200 student delegates from the UMM are expected to appear

The 1973-74 UMM CLIPPERS had an interesting season. Once again they traveled to Newfoundland for an invitational tournament. Due to an extended semester break-the energy crisis-many games had to be re-scheduled. The season ended with a bang - a winning streak! Because many players are returning, including Capt. Chuck Calligan, the 1974-75 season should be an outstanding one.

SPIRIT

The Fourth Annual Invitational Basketball Tournament

The Fourth Annual Invitational Basketball Tournament was held early this winter with teams from Newfoundland, Quebec, Farmington, and the host UMM Clippers participating. The competition was tough with the University of Maine at Farmington coming out as the victors.

Whoops!

Keep your eye on it.

Follow that puck!

The hockey club, now in its second year, has had a very successful season under the guidance of Dr. Robert Sloan. The team traveled to St. Stephen several times to play various Canadian teams and also played the team from Bucks Harbor Air Force Base. The team members are anxiously looking forward to the 1974-1975 season.

What a crowd!!

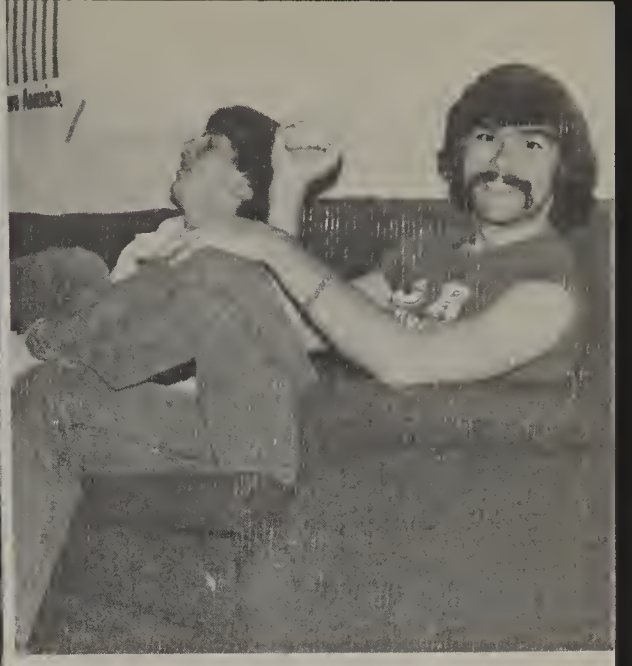
What's Going On?!

Did you hear the one about the farmer's daughter?

I can't believe I ate the whole thing!



You lose!

Who said "Party!"?

What, no tip!?

What ever happened to the Yellow Brick Road?

Spring comes . . . days grow longer . . . snow fades . . . grass begins to green. We pack our cars and head for the Bluffs ready to catch the first rays of warm sun to melt our winter cares. For just a moment time is forgotten; classes, exams, and papers are pushed aside. BEING is the only important thing now. And perhaps we look back at the year just past wishing we could hold it fast, if only for a moment, before it slips away. But it is gone and we return to take exams and face a new beginning.
